### INFORMATION FOR PEOPLE JOINING THE FIELD MEETINGS OF THE ESSEX FIELD CLUB

1. Please confirm that you are coming to Essex Field Club meetings by emailing or telephoning the leader a few days beforehand to check for details; and let the leader know if you later find you can't attend so we don't wait needlessly, or if you need to leave early, to save us registering you as lost and possibly injured.
2. Health and safety of participants is an Essex Field Club priority, but you have some duty of care for your own safety and that of others during a meeting. The leader will brief you on the day about any particular hazards of the site known to them; please make sure you listen.
3. Do not attempt a walk (which may cover several miles) unless you are fit and able to do so and be prepared for normal footpath hazards. Check when booking if doubtful.
4. EFC Field meetings, unless otherwise stated, are led by members working in an amateur and volunteer capacity on behalf of fellow members and others in the Group. Meeting leaders are not expected to administer first aid, or to provide first aid equipment.
5. On meetings which include a picnic, we recommend you bring your own wipes or water to clean your hands before eating, and a plastic bag for sitting on which can then be used to carry waste home.
6. If you have a medical condition such as angina, a pacemaker, diabetes, blackouts or allergy to stings etc. that may give rise to a medical emergency during a meeting, you must inform the leader 2 days in advance to see if there might be a problem. N. B. Mobile phone contact to emergency services may not be available in remote areas. ( A fuller version is on our website at [www.essexfieldclub.org.uk/portal/p/Meetings+guidance](http://www.essexfieldclub.org.uk/portal/p/Meetings+guidance))

**For all geology field meetings, it is essential that you book ahead and that you read and agree to the rules and advice outlined on the Essex Rock and Mineral Society web site ([www.erms.org](http://www.erms.org)). Copies can be supplied on request from Peter Allen (01992 630661; [peter.allen6@virgin.net](mailto:peter.allen6@virgin.net)).**

An excellent tearoom is available or bring your own sandwiches.	Leader: The first of several visits led by Ted Benton, aimed at enhancing the Estates database of records for all orders of flora and fauna. We hope as many members as possible will come along, so the range of plants, insects etc recorded can be as wide as possible. Marks Hall is a fine and varied Estate so we should find much to interest us.
April Sun 29th 2018 10:30-12:30	Colchester Natural History Society. Hazeleigh Wood, Hazeleigh Hall Lane, Woodham Mortimer, CM9 6GT. TL834038 Join one of the owners, Maureen Bissell, and Carla Davis for a visit to this new site for us. For further information contact Carla on 07832286153. The wood is mentioned in the Domesday Book and is an ancient wood of mixed broadleaved trees with many associated species being recorded on site. At this time of year, the bluebells should be out and nightingales ought to be singing.	Leader: For further information contact Carla on 07832286153 We will be guided round by Maureen Bissell, from 10:30am to 12:30pm, when they will offer tea and coffee with the chance to explore the site in the afternoon independently if you wish; they ask no picking or taking of specimens without permission. A donation of £2 per person is requested.
